Instructions

1. Cut 2 - Symphony Fabric pieces 1" larger than the pillow form.
2. Cut several sizes of circles for each flowers using the circle templates from Eclectic Elements Fabric. Make different size flowers.
3. Layer several concentric circles to make your flowers and pin in place on pillow front.
4. Sew an "X" in the center of the flowers with 3 strands of embroidery floss to secure to pillow front.
5. Cut several leaves using the leaf template from Eclectic Elements fabric.
6. Stitch leaves down using a running stitch down the center of the leaves with 3 strands of embroidery floss to secure to pillow front.
7. Pin right sides together and sew pillow pieces together using a 1/2" seam allowance leaving a 10" opening to insert pillow form.
8. Trim close to corners using scissors.
9. Turn pillow right sides out and press edges.
10. Insert pillow form into sewn pillow and adjust placement.
11. Sew opening closed with a needle and matching thread using the ladder stitch.
